

*Dear guest,*

We warmly welcome you to our 1.5 hectare estate, Hof Gayenberg in Bünsdorf, on the Wittensee. High-quality apartments in modern Nordic style invite you to a relaxing holiday all year round.

Almost all apartments are on the ground floor and have a parking lot directly in front of the apartment. Our apartments have been found by the Schleswig-Holstein Tourist Board as particularly suitable for travellers with children.

Furthermore, we are certified by DTV Star Holidays with 4-star quality.

We look forward to welcoming you as our guests!

The paterre apartments each have their own large terrace with modern seating. Enjoy the sunset in the evening or a fire with a glass of wine on our beautiful wooden terraces. From the large terraces you can also watch your children play in peace - because you do not have to be afraid of "streets", as the Hof Gayenberg is idyllically situated in the countryside. Of course, the individual designer bathrooms as well as the apartments themselves are free of any ground barrier.

*Your unique sauna experience.*

Since 2018, our offer to you has been supplemented by an original Finnish wooden sauna, which is available for your use as an additional service.
