

For all who are passing through.

Dear craftsmen,
fitters, architects, engineers, planners
and many employees,

We warmly welcome you to our 1.5 hectare estate, Hof Gayenberg in Bünsdorf, on the Wittensee. Our high-quality holiday apartments in modern Nordic style invite, while customer orders in the far north in our region to be able to obtain a first-class accommodation in a convenient location.

Without compromising on the idyll of work, with views of the countryside and plenty of space, you can fill up 100 percent for the next busy day. By DTV Sterneferien we are certified with 4-star quality.

We look forward to welcoming you soon as our guests!

Anything you need.

The paterre apartments each have their own large terrace with modern seating. Smoking is allowed on these. Enjoy the sunset or a fire with a bottle of beer or a glass of wine on our beautiful wooden terraces. Of course, the individual designer bathrooms as well as the apartments themselves are free of any ground barrier.

Free Wi-Fi and private parking are available.

Your unique sauna experience?

Since 2018, our offer is optionally supplemented by an original Finnish wooden sauna, which is available for your use as an additional service.

Overview: Apartments

DTV 
Sterneferien

Five holiday apartments in the countryside certified by the DTV (Germany's largest tourist association).

For long-distance or long-distance assignments, we believe that employees and other parties involved should be optimally accommodated when travelling. Whether on the construction site at the customer's site or with colleagues in the second branch: after the work is done, the quality of the evening's work and sleep determines how efficient, focused and focused we are the next day. We at Hof Gayenberg have put in place all the framework conditions so that your employees can start their work in the best possible way the next day, e.g.:

- ✔ **Comfortable box spring beds**
- ✔ **Free Wi-Fi**
- ✔ **Quiet, central location**

Feel free to ask us about our special offers for corporate and business customers.
